

DECIMAL — TO — FRACTION CONVERSION

REGIONAL CORNERSTONE OF THE METAL SERVICE CENTER INDUSTRY

With our commitment to being a one-stop source for all things metal, we deliver time-saving stocking, sourcing and delivery solutions in Arkansas, Missouri, Kansas, Oklahoma and Texas. All locations are managed locally with an effective and efficient structure that drives innovation and meets customer needs. We strive to honor all employees, clients and vendors with the highest level of integrity, honesty and service. To the clients of Hamill Metals we provide more than a fair price and a great value. We deliver versatility and responsiveness, allowing our customers to maintain focus on their own products and customers. Find out why so many partner with Hamill Metals and experience the Hamill difference for yourself.
